

!!! Important Notice!!!

Aqua Culture Swim School will be temporarily moving operations to our Harford Aquatic Wellness Center (HAWC) location. The HAWC facility is right around the corner in the Forest Hill Business Airpark, 2213 Commerce Road, Forest Hill MD 21050 (map and directions on the back).

As many of you have noticed the roof of the Aqua Culture facility on Newport Dr has been deteriorating and the building owner has decided that it is time to replace the roof. Unfortunately, we were given very little notice and still have not received any details of the plans. What we do know is that we will not be able to use the pool area of the facility for eight or more weeks starting next week, September 18, 2017. Fortunately, we can accommodate programming at HAWC on a temporary basis with minimal change to schedules. No swim lesson times should be affected with the possible exception of stroke classes. Stroke classes have grown quite large and we are concerned about over crowding negatively impacting those classes specifically. There may be some changes to practice times and family swim schedule. We are still working out the details but we wanted to get the word out as quickly as possible to minimize the impact of the transition.

We will post additional information in the solarium, to Facebook and to the Aqua Culture webpage as it becomes available. We will also send out an iContact email messages with information so please make sure you have a current email associated with your family account.

We apologize for any inconvenience that this may cause your family and are working diligently to minimize the impact. If you have specific questions please feel free to email HAWC@AquaCultureSwimSchool.com. At this time all staff including Linda, Leslie, Wayne do not have any more information than you do so please use email as much as possible for communication.

Wayne and Leslie
